The Sydney Women's & Children's Health Update 2024

We're thrilled to be returning to the International Convention Centre in Sydney for the 2024 Annual Women's & Children's Health Update. We look forward to you joining us for a value-packed day of professional learning, where you'll enjoy a high-quality educational program presented by leading experts focusing on the practical clinical issues that we face every day in our practices.

HOW CPD WORKS AT OUR SEMINARS

- **8 hrs Educational Activities (EA)**
Attend the seminar and for RACGP and ACRRM members, we'll lodge the CPD hours on your behalf
- **6 hrs Reviewing Performance (RP)**
Complete optional quizzes and activities via the app/website to receive CPD in the RP category
- **5 hrs Measuring Outcomes (MO)**
Included as an online learning module to help you complete your annual minimum MO requirement

WHY YOU SHOULD ATTEND

- This program is focused on helping you tackle the practical challenges that you encounter in your daily practice
- Earn up to 19 hours of CPD for a one-day seminar (8 EA, 6 RP, 5 MO)
- For RACGP and ACRRM members, Healthed will upload your CPD for you - hassle-free CPD!

REGISTRATION INCLUSIONS

- Spiral-bound handbook to follow the slides, plus it can be used as a future reference
- Morning tea, lunch and afternoon tea, plus barista-made coffee
- Access to the trade exhibition
- Exclusive additional learning opportunities through the Healthed mobile app and website

OUR DELEGATE HANDBOOK

- Spiral bound with heavy duty cover
- Two presentation slides per page with space for note taking
- Easy to read and write notes
- Can be used as an ongoing reference tool
- 96% of delegates rate the accompanying seminar handbook as 'excellent' or 'good'

MAKE USE OF THE APP

Enhance your learning experience with the Healthed app. Download before the seminar to gain access to:

- Presentation slides – zoom in for comfortable reading
- Sign in to earn CPD – no need to queue!
- Venue and parking information
- Complete the post-event quiz (RP) and online learning module (MO) through the app
